Our offering

Our debt capital markets team in Europe has extensive experience advising both issuers and underwriters on all forms of debt capital markets products including:

- MTN programmes;
- eurobonds;
- commercial paper programmes;
- covered bonds;
- green, social, sustainable and sustainability-linked bonds;
- regulatory capital and hybrid transactions;
- equity-linked products;
- emerging markets issuances;
- high yield bonds;
- schuldschein;
- structured products; and
- liability management transactions

We offer practical, tailored and innovative advice and take particular pride in the fact that our clients can always expect the full dedication and attention of our team. Our highly experienced teams in London and Frankfurt collaborate seamlessly with our renowned US offering and wider global group made up of over **30 debt capital market partners** and **150 attorneys worldwide**. With extensive reach across four continents, we are the only integrated law firm in the world with approximately **200 lawyers** in each of the world's three largest financial centres - **New York, London** and **Hong Kong**.

Why choose us?

One of the world's leading capital markets law firms

We are one of the leading capital markets law firms in the world, advising issuers, underwriters, trustees and agents in domestic and international private and public financings. We are noted for our international footprint and our ability to solve the most complex and demanding legal and business challenges worldwide. We serve many of the world's largest companies, including a significant proportion of the Fortune 100, FTSE 100, CAC 40, DAX, Hang Seng and Nikkei index companies and more than half of the world's largest banks.

Client commitment

We take pride in our dedication to client service. We believe this distinguishes us. Our team consistently receive positive feedback for the quality of our advice and our commitment to our clients. We are routinely named to the BTI Client Service A-Team, an annual ranking of the top 30 law firms based on independent survey feedback from corporate counsel at global and Fortune 1000 companies.

Industry knowhow

We are at the forefront of market practice, regularly collaborating with industry bodies and associations in the debt capital markets space to ensure you get the best advice.

US capabilities

We are fully integrated with our US offices providing a deep bench of US securities expertise. Working alongside our US securities partners based in London, we are able to provide sophisticated, market leading advice when accessing the world's largest capital markets.

Global regulatory and sanctions expertise

We understand the regulatory environment that matters to you. Our dedicated sanctions and regulatory teams in London, Frankfurt and the US are on hand to help you navigate the requirements of your transactions.

“Strong entry into the English law DCM space, which is an attractive proposition when combined with existing US law presence. This makes Mayer Brown competitive across the spectrum for investment grade and emerging markets work, across issuer categories and the credit spectrum.”

–Legal 500

Our experience
